

SCIENCE FAIR PROPOSAL FORM

Fill out completely and turn in as soon as you decide what your project will be. The absolute deadline is **THURSDAY, JANUARY 11th**. Turn in to the office, or hand in or send electronically to Ms. Curcio or Ms. Largay at jcurcio@slvusd.org or hlargay@slvusd.org

Student name: _____

Teacher: _____ **Grade:** _____

Name and grade of partner/s, if any. Maximum of 3 students per project:

Each participant must fill out a proposal form

Parent name & email (or phone if no email): _____

Proposal: If doing an experiment, what is the question you will explore? Give a short description of how. If doing an engineering invention, tell us about your big idea?

**Read pages 9-10 in the Student Guide Book of the Santa Cruz County Science Fair website to see if your project needs special approval (mold and bacteria must be grown in a "Bio-Safety Level 1" lab!) www.science.santacruz.k12.ca.us. If it does, talk to Ms. Curcio or Ms. Largay BEFORE you get started.

Optional: My child WILL attend at least one of the Wednesday help sessions from 1:30-2:30 PM in the library. **They may attend one or all 3, or just stop by with a question.

Number where parent can be reached during that time: _____

How will your child get home at 2:30? _____
